

Paessler Presents Partners with APAC Top Partner Excellence Award 2020

Asia Pacific – 26 January 2021 – Paessler announced Paessler Top Partner Excellence Award 2020 in recognising the contributions of its value-added resellers (VAR) in the Asia Pacific (APAC) region.

[Paessler](#), the Monitoring Experts, presented the APAC Top Partner Excellence Award 2020 to its regional partners in Asia Pacific to recognise their commitment and contribution to Paessler's business despite the challenges faced in the past year.

In alphabetical order, these are the nine Asia Pacific partners of Paessler, who received the awards in December:

- Anchorwave Co., (South Korea)
- Gammer Group (Australia)
- Hwacom (Taiwan)
- Infocan Computer (Hong Kong)
- IT Essentials (Thailand)
- Jupiter Technology Corporation (Japan)
- PT Daya Cipta Mandiri Solusi (Indonesia)
- SecuNM Co., (South Korea)
- TSG Service and Trading Company (Vietnam)

The award recipients were the top-performers for 2020 and were recognised for their business contributions to Paessler despite the difficulties faced by many organisations in navigating the new normal resulting from COVID-19.

"Our partners play a significant role in our business. They help to strengthen our brand and business especially in markets where we don't have a direct presence," said Jürgen Thiel, Paessler's Head of Global Sales and Business Development.

He added, "The Paessler APAC Top Partner Excellence Award was given to all our partners in recognition of their exceptional business performance. Despite 2020 being a challenging year, our partners displayed resilience and creativity in how they approached the market despite the limitations faced and continued to demonstrate their highest commitment to deliver. The spirit, drive and hard work demonstrated by these partners have made Paessler what it is today. We are deeply appreciative of our partnership with them. They set the best standards for the rest of our APAC partners to strive to emulate."

About Paessler AG

In 1997 Paessler revolutionised IT monitoring with the introduction of PRTG Network Monitor. Today over 300,000 IT administrators, in more than 170 countries, rely on PRTG to monitor their business-critical systems, devices and network infrastructures. PRTG monitors the entire IT infrastructure 24/7 and helps IT professionals to seamlessly solve problems before they impact users.

Our mission is to empower technical teams to manage their infrastructure, ensuring maximum productivity. We build lasting partnerships and integrative, holistic solutions to achieve this. Thinking beyond IT networks, Paessler is actively developing solutions to support digital transformation strategies and the Internet of Things.
